COMMENTS

For Sale 38ft Aluminium Oil Skimmer Built for the BP Oil Spill Has twin Yamaha 150 with 65hrs on each features a quick discharge/pump-out rate from an onboard well with a capacity of up to 2,500 gallons (60 barrels). Suction equipment can pump oil directly from the boat well onto a barge or pump station. Additionally, there are no moving parts in the skimming process resulting in a virtually maintenance free operation

Details pertaining to this vessel are obtained from sources believed to be reliable, however we can not guarantee their accuracy. Buyers should instruct surveyors and agents to investigate details for validity. All offers are subject to prior sale, changes in price and / or inventory, and without notice.
